

discrimination

Across

5. things we feel are important. They are developed as we grow through 'socialisation'

7. where it is assumed that everyone from the same group shares the same characteristics

8. treating everyone in a way that respects that we all have the same value regardless of our differences.

9. a view point that has formed over time and reflect our religious and spiritual values

10. when a person is discriminated against in a subtle way

Down

1. to enable a person to take control of their own life.

2. when a person is discriminated against because of their sexual orientation.

3. discrimination based on a persons ethnicity or race

4. to 'pre-judge' and have a negative opinion formed before knowing a person

6. The range of differences between people and groups in our society.
