

Name: _____

Date: _____

electrical potential energy

Across

4. what is the ability to do work?
5. Name the device that stores electric charges?
7. How can you measure the voltage?
9. What is the name of paste/liquid in battery?
10. What are the substances that allow the flow of electrons?

Down

1. Give an example to understand the concept of potential difference?
2. What is the name of two terminals in a battery?
3. What is another name for potential difference?
6. what is the elementary particle that carries negative charge?
8. What is the unit to measure the potential difference?
