

softball

Across

- 2. The ball used in the game of softball.
- 4. When the runner needs to be safe, they will do this to make sure of it.
- 6. Between second and third base
- 9. A sneaky way the runner gets closer to home plate.
- 10. When the batter hits the ball over the fence.

Down

- 1. A padded, leather covering for the hand, having a pocket in the area over the palm, webbing between the sections for the thumb and forefinger, and either separate sections for each finger or sections for more than one finger.
- 3. Person who throws the ball across the plate.
- 5. Where the pitcher stands.
- 7. A certain play the coach gives you during the game.
- 8. The grass area of the field where three people are placed.
